Funny Animal Moments Find out why in life funny moments from why Close. Funny Animal Moments Animals. Find I don't know why everyone is like this on a dating site. There are women who, like me, are afraid to date and are afraid of men in general. I have a girlfriend. She and I for many years we are communicating on the Internet. And here she writes: "You were right. I started dating a guy on the site. He is, of course, strange. But I'm having a good time! " And I think that these "weird" guys on dating sites are just very sensitive to women's psychology. They find things that you yourself don't know about. You are all very open and trusting. And you just need to trust, and then the man himself will find the words and the moments that you need him not to push away. The main thing to remember when talking to a man is that he's not looking for love, he's looking for a woman and that he just needs to fuck you, not make love to you. That is, sexually, he's more interested in the body itself than what's in your head. none
