\\FREE\\

First of all, download the hacked autocad file (Autocad 2010 / Autocad 2011 / Autocad 2012 Autocad 2013 / Autocad 2014 / Autocad 2015 / Autocad 2016 ...). Then disable antivirus, firewall, etc. Then run setup.exe file (if it does not start automatically, double left click on it and run it as an administrator). Then choose the item "Install" and press "Next". Next, a window will open where you need to select a location to install AutoCAD. This will start the installation process, at the end of which you should click "Finish". After restarting your computer, you will be able to proceed with the installation
