Laurie J. A. Read, Imperial College LondonDr Laurie J. A. Read is Professor of Geophysics at Imperial College London. He has worked on a wide range of topics in applied mathematics, especially in the areas of atmospheric and marine sciences, turbulence, and uncertainty quantification. These include compressive sensing, inverse problems in seismology, turbulence modelling and reaction-diffusion systems, the stochastic treatment of uncertainty, and evaluation and prediction of forecast error. Pacific Science Center stands with those who are courageously fighting against hate, racism, and injustice. We recognize that not being racist is not sufficient. We must be actively anti-racist, and we commit to doing so. We prioritize inclusion, diversity, equity, and access in everything we do. Curiosity and critical thinking are essential to the dialogue and changes that need to happen.
